For: Hybrid Power Equipment

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Supplemental Notice of Allowability dated June 28, 2005 indicates that it is responsive to "the telephone interview of June 23, 2005." This interview was initiated by Applicant's undersigned counsel to advise the Examiner that claims 21-24 had been excluded from the listing of claims in the Notice of Allowability dated June 8, 2005. The Examiner indicated that he would consider issuing a Supplemental Notice of Allowability. The duration of this interview did not exceed about two minutes, and did not include any substantive discussion of claims or patentability. The foregoing comments are submitted in order to clarify the record.

Respectfully submitted,

By

Eric M. Robbins
